### SOFT SKILLS
- Effective Communication
- Leadership and Initiative
- Time Management
- Teamwork and Collaboration
- Creative Writing
- Adaptability and Flexibility

## LANGUAGE
- English
- Tamil
- Hindi
- Kannada
- Malaylam

## OBJECTIVE

A solution-oriented individual with a sharp analytical mindset and a knack for designing efficient, real-world solutions. Passionate about leveraging technology to drive innovation, with a continuous learning approach to emerging advancements. Adaptable and quick to grasp new concepts, eager to contribute creative problem-solving and strategic thinking to impactful projects in a dynamic environment.

## INTERNSHIP

**Pinesphere Solutions**                      **July 2024-August 2024**
Technologies Used: Django                      Full Stack Developer

- Gained hands-on experience in Django framework, focusing on backend development and web application design.
- Learned end-to-end web development, including database integration, CRUD operations, and dynamic page rendering — strengthening both backend and frontend skills.
- Enhanced problem-solving and collaborative development skills through real-world project exposure.

## PROJECTS

**VisioCart (React.js, Alan AI, HTML, CSS)**
- Developed an accessible e-commerce platform for visually impaired users using ReactJS, HTML, and CSS, featuring large fonts and high-contrast themes as per WCAG accessibility guidelines.
- Integrated Alan AI for voice navigation, enabling users to browse enhancing usability for differently-abled individuals.

**BlogSphere (Django, PostgreSQL, HTML, CSS)**
- Built a full-featured blog website using Django, where users can create, edit, and read blog posts with a clean and user-friendly interface.
- Connected the app to a PostgreSQL database to securely store and manage blog content, user data, and comments efficiently.

## CERTIFICATIONS

- NPTEL Online Certification – Internet of Things (IoT) - 88% ( Elite + Silver)
- Microsoft Azure Fundamentals Certification
- Introduction to Microsoft Excel – Coursera
